Add in any additional order notes for Lumen.

Click “SIGN FIBER CONTRACT” to send the contract for signature via DocuSign, or “GENERATE CONTRACT” to only download a PDF of the contract.

Best practice is to use the DocuSign Integration. You will automatically be CC'd on the DocuSign. You will also be notified once the customer signs.

## Confirmation

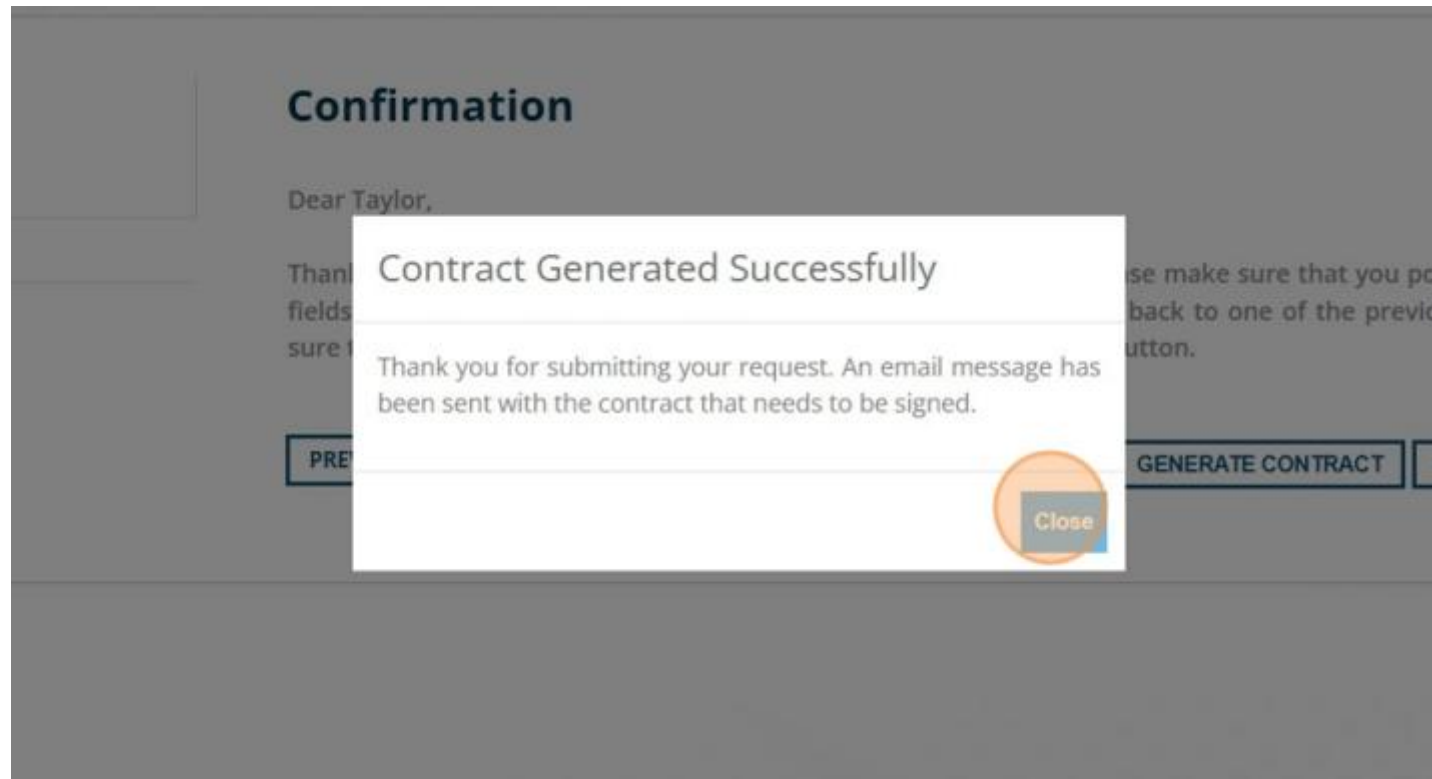

Dear Taylor,

Thank you for using Lumen. Before generating the contract, please make sure that you populate all the required fields with valid information. You can edit this information by going back to one of the previous tabs. Once you are sure that everything is correct please click on the Generate Contract Button.

A pop up will display indicating the contract has been sent for signature. Click “Close”

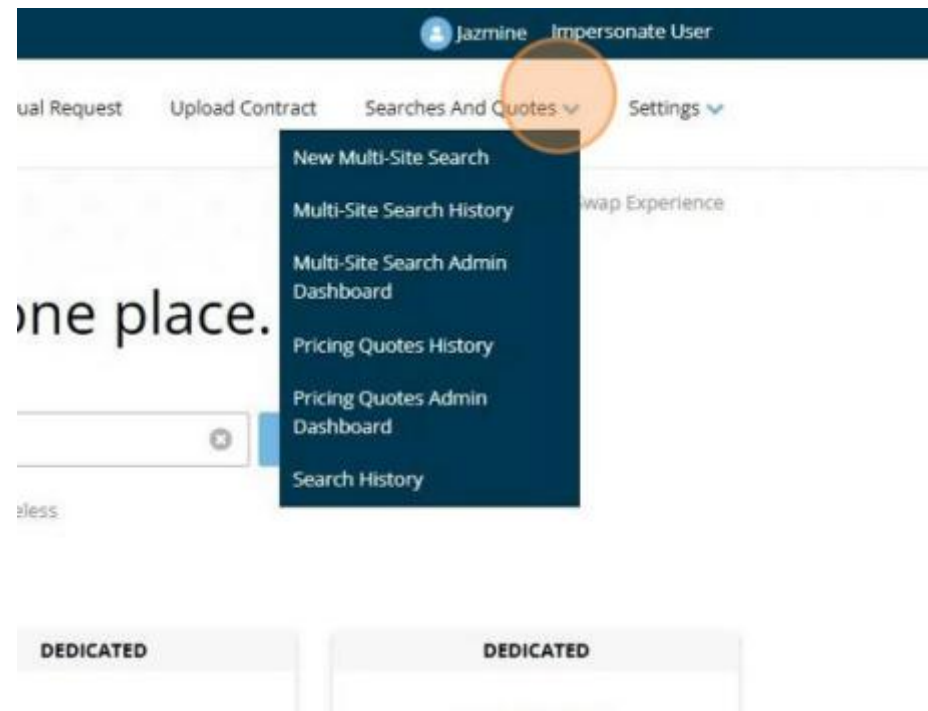

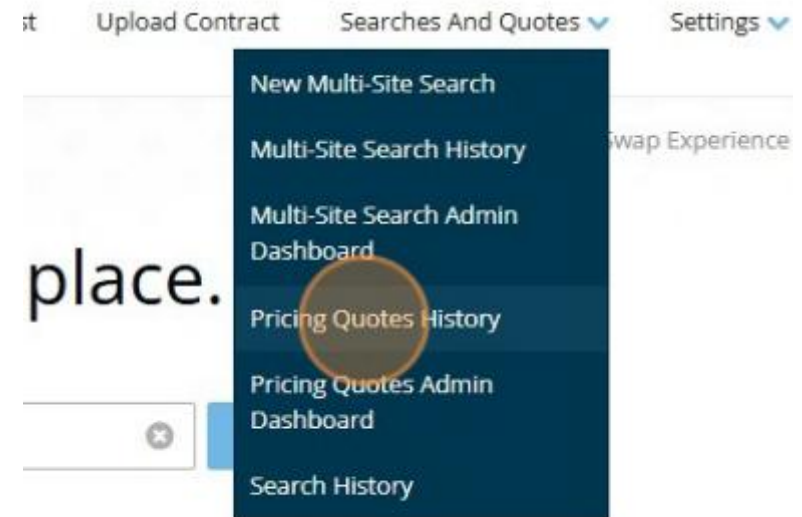

## Uploading Lumen Fiber Contract into CableFinder

For contract upload, once you have the signed contract, head back into Cable Finder to upload the document. This will store the contract in Cable Finder and send the document to the TSD and Lumen for processing.

Click “Searches and Quotes” in the top right corner of the screen to display drop down.

From this drop down select “Pricing Quotes History”

In the “Quote ID” field enter your 6-digit quote ID.

# Post CableFinder Emails

- After Contract is uploaded into CableFinder, it will CC the Lumen ordering team for submission.
- CableFinder user, TSD and Lumen are all copied on the email
  - Sender noreply@cablefinder.net
- Lumen will respond with Order Confirmation
  - Please expect a few days for Lumen. They will send this directly to the customer and CC you as the selling agent.

A contract has been uploaded for the Quote: 752438.

**Thank you for submitting your Lumen order.**

Attached is the completed Lumen contract along with the associated order details.

An order confirmation email will be sent directly from Lumen—please watch for that message, as it will include your confirmation number and relevant processing information.
